## Changes to the timetable since the last edition.

### **Service 112 Preston – Bamber Bridge – Clayton Brook – Leyland**

Lancashire County Council has revised the timetable and route, to additionally serve Frenchwood in Preston (replacing the withdrawn Service 29) and extend the service in Leyland via Golden Hill Lane to Moss Side Industrial Estate and Midge Hall (replacing the revised Service 114 route).

Rotala Preston Bus continues to operate this service on behalf of Lancashire County Council.

### **Service 114 Preston – Penwortham – Leyland – Clayton Brook – Chorley**

Lancashire County Council has revised the timetable and route, to operate direct in Leyland between Croston Road and the Town Centre via Broadfield Drive, omitting Moss Side and Midge Hall, which continues to be served by the extension of Service 112. Whilst this results in the loss of a direct route to Chorley from Moss Side and Midge Hall, the numbers actually making this journey were extremely low and continues to be able to make connections in Leyland town centre with alternative services.

Rotala Preston Bus continues to operate this service on behalf of Lancashire County Council.

Whilst these tendered bus services revisions may have some impact on customers using the services, every effort has been made to mitigate this by maintaining peak journey times and retaining key links.
