

# Christmas Greetings

At the end of another year we would like to thank you for your continued custom.

This has been a difficult year for everyone in the city due to the numerous road closures and delays. Thank you for your patience and understanding during those periods. Equally the actions of Stagecoach have resulted in some difficulties being experienced by our staff and we thank our customers for their continuing support.

On behalf of all at Preston Bus may we take the opportunity to wish you a good festive season and a happy new year.
