DETAILS OF CHANGES

Services 3A/3B

Lancashire County Council has revised the route and timetable by extending Service 3B to Longton. The Service 3B route has been revised in the New Longton area in order to accommodate this extension.

Services 3A/3B will continue to be combined offering a half-hourly Monday to Saturday daytime service from Preston via Fishergate, Broadgate and Lower Penwortham to Penwortham Hill Road South. From Hill Road South Service 3A will continue hourly on its present route to Clive Road/Shafisbury Avenue. On the opposite hour Service 3B will continue to Whitestake then via Wham Lane to New Longton, direct through the village via Station Road and Chapel Lane to Longton terminating on the loop around Shirley Lane before returning via reverse of the outward route. In order to provide the link between New Longton and Longton, Service 3B will no longer serve Sheep Hill Lane in New Longton or Penwortham Booths, on Millbrook Way.

There are a number of timetable changes to improve overall service reliability and provide better departure times requested by users.

The demand responsive taxi service between New Longton and Longton will be withdrawn from 1 February 2010.

These changes follow a number of requests by New Longton residents, Longton Parish Council and the local MP to restore the bus service link between New Longton and Longton.

Service 2B

Lancashire County Council has revised the route between Preston and Longton to serve Broadgate, Lower Penwortham, Hill Road South, Whitestake and New Longton. This revision will mirror the revised Service 3B route to Longton and provide a Monday to Saturday evening and Sunday service for these areas. The timetable has been revised to accommodate the amended route.

Service 2 between Preston and Southport will continue to provide a service to Preston from Higher Penwortham.

Why not give it a try - you might love it!
